STATEMENT OF PROBABLE CAUSE

Filed in District Court
State of Minnesota
11/20/2025

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On November 17, 2025, law enforcement were dispatched to a report relating to the sexual assault of a minor female who resides in the city of Crystal, Hennepin County, Minnesota. Call remarks stated that the child's biological father, Witness herein, received a message from his daughter while she was staying with him pursuant to a joint custody arrangement. Witness described the message as stating that his 13-year-old daughter, hereinafter Victim, stated she did not want to go back to her mother's home because her stepfather, whom Victim identified as "Michael" was making her uncomfortable and was doing inappropriate things in her room at night while she is sleeping.

Responding officers learned that Victim resides half of the time with her mother and her stepfather, MICHAEL ANGELO WALKER (12/20/1989), Defendant herein. Defendant lives on the 3400 block of Major Ave N in Crystal, Hennepin County, Minnesota. Victim told responding officers that Defendant had been "trying to do stuff" to her while she was sleeping and that he had touched her on her vagina over her clothes.

Victim was taken to CornerHouse and forensically interviewed. Victim reported that Defendant enters her room once or twice a week for the last 6 or 7 months. When Defendant enters Victim's room, Victim described him trying to put his hands inside her blanket, which Victim tucks around her body to sleep. Victim reported that Defendant enters the room late at night. Victim recounted the most recent time Defendant entered her room as being on 11/13/2025. Victim recalled Defendant entering the room, kneeling by her bed, and trying to remove the covers. Victim reported Defendant said "Just one taste and I will leave." Victim recalled kicking his hand away and him leaving. Defendant has also stated "I shouldn't want this but I do" to himself while he is in her bedroom.

Victim further reported an incident where she fell asleep on the couch in the living room one night. Victim awoke to a warm sensation in her private area. Victim described she had been covered with a gray weighted blanket that Defendant moved aside. Victim looked down and saw Defendant's face touching her vagina over her sweatpants and "breathing" on it. Victim had to kick Defendant away. Victim confirmed Defendant's face was touching her vagina and it was a warm feeling. Victim used anatomical dolls to demonstrate this touching.

A search warrant was executed in Defendant's home. A gray weighted blanket was recovered from the back of the living room couch. Defendant was taken into custody.

Victim's mother was interviewed and was very upset. Victim's mother reported that Defendant alleged he had a condition that required him to soak in the bathtub and that he had been doing that a lot more late at night, consistent with the times Victim reported him being in her room. Victim's mother also reported an instance where her older daughter, now 15, stated that Defendant had come into her room and rubbed her back in a "creepy" manner while she was sleeping.

Defendant is more than 36 months older than Victim, who is 13-years-old. Victim reported the behavior had been occurring for approximately the last 6-7 months.

Defendant is currently in custody.
