On February 27, 2025, police received a child abuse report from a mandated reporter which stated a 12-year-old child, identified herein as V1, reported being sexually assaulted on repeated occasions by her mother's boyfriend, later fully identified as GONZALO ALEJANDRO BUENROSTRO ESTRADA, (DOB 01/10/1983). The sexual assaults involved ESTRADA grabbing V1's hand and forcing her to touch his penis when they lived at a residence on the 80th block of Cesar Chavez Avenue, St. Paul, Ramsey County.

V1's mother, MA, told police that V1 first disclosed the abuse by ESTRADA to her about a year prior to contacting police. ESTRADA had been out of their lives since 2019 and she didn't know what to do with the information at that time. More recently, MA noticed V1 becoming more anxious and talking about the abuse more frequently so they wanted to report it.

On March 17, 2025, MA reached out to police to report that V1's younger sister, 11-year-old V2, also disclosed that ESTRADA sexually assaulted her on multiple occasions. V2 said ESTRADA touched her genitals and forced her to perform fellatio. V2 said the assaults happened when MA was working overnights and ESTRADA watched over her and her sister.

MA told police that she was with ESTRADA for a period of 6 years and they broke-up in 2019. During that time, she only left the girls alone with ESTRADA for a period of 6 months in 2017 or 2018 when she was working overnights. They were living at the Cesar Chavez address at that time.

V1 and V2 were both referred to Midwest Children's Resource Center (MCRC) for medical examinations. Prior to the start of the examinations, medical staff met with MA to get a medical history. MA said that approximately a year ago, V1 told her that ESTRADA made her touch his genitals. ESTRADA had moved out of the family home years prior and MA was unsure what to do and did not report to law enforcement at that time.

MA said V2 started engaging in self-harm in December 2024 and attempted suicide twice. V2 was hospitalized and began seeing a therapist. As V2 was struggling, V1 came forward and said she was having anxiety attacks and flashbacks. V1 wanted to talk to law enforcement and start therapy. V1 had an anxiety attack at school and disclosed sexual assaults by ESTRADA. The school then made a report to law enforcement. On March 14, 2025, V2 self-harmed again. MA spoke with V2 about the self-harm and she said ESTRADA made her give him oral sex and touch his genitals.

During V1's MCRC exam, she disclosed ESTRADA grabbing her hand and putting it down his pants, forcing her to feel his penis. V1 was not sure when the assaults started but said she was very young. V1 recalled not being able to sleep on a night that her mom was working a late shift so she went out and sat with ESTRADA on the couch as he watching a kite video. ESTRADA grabbed her hand and put it down his pants, trying to get her to touch his penis. V1 did not feel his penis that first time because her mom came home and V1 rushed out of the room. ESTRADA repeated this behavior on other nights when MA was working late shifts. ESTRADA would not let V1 pull away and forced her to touch his penis. She felt trapped and would freeze as ESTRADA grabbed her wrist and made her stroke his penis back and forth. V1 described ESTRADA's penis as hard, and feeling the skin and hair on ESTRADA's genitals.

V2 said the first time ESTRADA sexually assaulted her, she was in the car with him, sitting in the front seat. ESTRADA put his hand on her knee, moved it to her thigh then moved it under her skirt to her underwear. He held his hand on her vagina, over her underwear. V2 said on at least 4 occasions at the family home, ESTRADA made her go onto her knees by grabbing her shoulders and pushing her to the ground. He then unzipped his pants and put his penis in her mouth. Her sister, V1, was in her room when it happened.

V2 described ESTRADA pushing his penis into her mouth, causing her mouth to hurt "a lot." He pushed it in deeper whenever she said, "stop." As ESTRADA forced fellatio, his hands were touching her vagina and chest. ESTRADA put his fingers inside her vagina and squeezed her breasts. ESTRADA told V2 not to tell anyone or he would hit her. He acted like everything was normal when he was done assaulting her. V2 said the assaults happened around 3:00 in the afternoon.

Police located ESTRADA on October 10, 2025. ESTRADA said he dated MA over 5 years ago. He denied ever living with her but said he would sometimes stay overnight at her place for a couple of days. ESTRADA denied engaging in any form of sexual contact with V1 or V2.
