Dear Marcello and Church Team

**Re: Donation to Gulf Christian College – Music Program**

On behalf of everyone at Gulf Christian College, I want to express our deepest gratitude for your generous donation of **\$1,000** toward our Music Program. Your support will enable us to purchase a new drum set for our talented young musicians—an incredible blessing for our small school in Normanton. We have been praying for the resources needed to establish a strong Music Program, and it is wonderful to see how those prayers are being answered.

This year, we were also delighted to welcome a new English teacher from New Zealand who, by God's grace, is also a gifted violinist. He has embraced the opportunity to share his love of music with our students, who are eager to learn and explore their talents. Watching the Music Program come together piece by piece has been truly inspiring, and we are reminded once again of God's goodness and perfect timing.

Your kindness is making a real and lasting difference. Because of your generosity, our students are discovering new opportunities, building confidence, and expressing themselves in meaningful ways. For a remote school like ours, programs such as this are incredibly important—music has the power to connect, to heal, to inspire worship, and to give young people a positive outlet to grow and thrive.

I am also delighted to share some exciting developments from our College. Our enrolments have reached **128 students**, the highest in our history, and we are thrilled to be welcoming our first-ever Year 12 cohort—marking a significant milestone for both the College and the Normanton community. This means local young people can now complete their senior schooling without leaving home. We truly feel God's hand guiding us in this season of growth and blessing.

Looking ahead, we are hopeful that our new Secondary School Campus will open at the beginning of Term 2 on **Monday, 20 April 2026**, pending final approval from our non-state school accreditation authority. We would greatly appreciate your prayers as we await this outcome.

Your ongoing support for our remote community encourages and uplifts us more than you may know. It is heartwarming to see organisations like yours choosing to partner with us and invest in the lives of our students and their families.

Thank you again for your generosity, compassion, and partnership. We would be honoured to welcome you—and any members of your church team—to visit our school and see firsthand the wonderful impact your kindness is having.
