 **VOICEMAIL SCRIPT: IMPEACHMENT DEMAND**

“Hi, this is [Your Name], a constituent from [City or Zip Code].

I’m calling to urge [Representative/Senator Last Name] to take action on what are clear impeachable offenses by the President, including:

- Bombing Iran without Congressional approval
- Obstructing justice
- Using the office for personal and political gain
- Violating civil rights and attacking democratic institutions

These are serious abuses of power, and silence from Congress is complicity.

I expect my representative to defend the Constitution—not the presidency.

Please make a public statement and support accountability.

Thank you.”
