

# Paliton Networks Capability Statement

Leesburg, VA | [info@paliton.net](mailto:info@paliton.net) | 1-888-PALITON

Paliton is a Virginia based small business supporting both government and commercial customers. Paliton was founded by engineers with decades of experience building solutions from the global scale down to single small businesses. Paliton engineers have backgrounds in Cloud Architecture, Wired and Wireless Networking, Private LTE, Cyber Security, Application Development, DevOps and IoT. While we pride ourselves on versatility, our company focus falls into these three primary core areas:

## Network Architecture

Network Engineering  
 Performance & Optimization  
 Cloud Design & Migration  
 IT Strategy and Virtual CIO  
 Tactical Communications

## IoT Security Solutions

Video Surveillance  
 Video Analytics  
 Evidence Management  
 Video Analytics  
 Situational Awareness

## Managed Services

Network Monitoring  
 Network as a Service  
 Managed Wi-Fi  
 Managed Cyber Services  
 Mobile Device Management
