News and Notes

Injuries to major players, out for the remainder of the season KC QB Patrick Mahomes and GB LB Micah Parsons both with torn ACL's.

BUF Josh Allen again led a comeback. As impressive as it was the reason they were behind by 21 pts was because of inconsistent offense and a porous defense. This is not a formula for a Super Bowl championship.

PIT controlled the game against MIA but the W should be taken with a grain of salt. The Dolphins cold weather struggles and their 2025 issues. But PIT getting a W in Dec is noteworthy from their usual collapse. Is this a turning point?

KC missed the playoffs for the first time since 2014. Sports is cyclic and this was expected to happen at some point. Will they follow in the footsteps of teams like SF and PHI or teams like MIA and the Raiders? Time will tell. Also, the streak of SB losers not making back to the big

game (except once in 2017 and he who must not be named) since the 1993 BUF Bills.
