NOTICE REGARDING REQUEST FOR RELIEF

Pending before this court is Plaintiff's Emergency Verified Complaint, ECF No. 1, which seeks, among other forms of relief, a preliminary injunction. Inasmuch as Plaintiff intends to pursue a preliminary injunction, it must file a motion upon which this Court may act.

In so stating, this Court is not suggesting or requesting that Plaintiff should or must file such a motion. However, in the past, other plaintiffs have incorrectly assumed that this Court would act on a request for relief included in a complaint, rather than in a motion. Accordingly, this Court will take no action toward considering preliminary injunctive relief in this case unless and until a motion is filed.

Again, this Order is merely for clarification and should not be construed as any sort of admonition or direction.

SO ORDERED on March 17, 2026.

s/Mark E. Walker
United States District Judge
