Hi Dr. Rogers,

In order to get my appeal to the Ontario Court of Appeal, I must get your permission to go to the Ottawa Courthouse, at least twice, to get documents notarized.

Once for a fee waiver form, immediately, and once for an affidavit of service form, in order to get them notarized.

I repeatedly asked the Court for a case conference to address you preventing me from doing this, but they did not help me.

If you continue to prohibit me from doing this, you will once again obstruct justice, and block me from appealing the decision rendered by the Honourable Kevin B. Phillips, whom, and I think you will cackle about this, called my arguments Slavish.

Please let me know if you, and the SCJ by their inability to appropriately respond to your illegal actions, will be blocking my appeal.

I will be calling the Ontario Court of Appeals Registrars office tomorrow, God willing.

Regards,

Steven Reynen

P.S. Joana please print the two attached documents on the off chance Dr. Rogers decides to stop breaking the law.
