Hit me with your best shot right out of the gate.

No amount of your treatment will stop me from believing in Jesus and since dr. Rogers says I am delusional for believing standard Christian beliefs (on audio recording) that is where this is headed.

I will insist on your strongest pharmakeia, most frequent and powerful ECT, best PRNs, and whatever other auxiliary treatment you have so right away you can dispel yourselves of any notion that I will be renouncing my LORD and SAVIOUR.

I will try my best to avoid this, but after that, every single day, do your worst, and Jesus will get me through that too.

If you give up, let me flee the country then, I will not be going to an apartment or joining Rhona and Gordon who betrayed me to get me here in the first place.

Any nation would be better than Canada, but I would prefer the Netherlands.
