Q12 - When managing expenses on group trips, what do you find most frustrating about each of the following topics?

| Budgeting	Splitting expenses	Planning
N/A	N/A	N/A
N/A	N/A	N/A
N/A	Venmo	Difficult to do what everyone wants to do
The same budget	Who pays for it first	Being on the same page
Different budgets	Some people eat less or more so it can't be spilt evenly	N/A
I don't have a job or any financial experience	Making sure everyone pays their amount in a timely manner.	I usually don't plan, I follow
N/A	Delay in trueing up with everyone + common people who never pay for anything resulting in wide range of money owed	Disproportionally distributed among the group.
Takes a long time.	Easy	So many options, want to make the most of my trip.
Trying to account for expenses I'm still unsure of/unexpected expenses that pop up.	Making sure people aren't paying for things they aren't participating in.	Taking everyone's preferences into account
N/A	having to remind people	people not contributing to this
N/A	N/A	N/A
N/a	The math	N/a
Hard to stay in the budget	Not everyone remembers to pay	Sometimes planning isn't split evenly
Coordinating or getting people on same page for activities	Seeing what people are willing to pay for	Just coordinating
People have different ideas of what to spend more on so it can be a little challenging to manage that	When people don't all use the same payment type such as Venmo	It can be hard for multiple people to plan together so it falls to one person
N/A	Hard to keep track of how much everyone paid	N/A
Sometimes hard to find the best deals and value	Not challenging	Not challenging
N/A	Asking to be reimbursed	Making sure everyone agrees and feels satisfied with the result
N/A	N/A	N/A
planning for the correct amount of spending and saving	Keeping track of splitting and making sure it is fair	Deciding on places, and staying organized with places, accommodations, things to do etc.
