Local Loops

Start of Block: Default Question Block

Q37 Hello, we are senior Industrial Design students at The Ohio State University working on our capstone. This is a survey for our focus area looking into recycling plastics and creating a circular economy that will benefit the Columbus community. By proceeding you agree for your answers to be used in data collection. Responses will be anonymous and the aggregated data points will be used in presentations in front of classmates and sponsors. For further questions feel free to contact us at angst.9@osu.edu or our Professor William Nickley at nickley.3@osu.edu. Thank you in advance for your time!
