MR. PICKLES™

PACIFIC NORTHWEST

GIN

Handcrafted in Eugene, Oregon, this Northwest-style gin is the embodiment of our distillery's mascot - Mr. Pickles. Though our pit bull rescue may appear to be a spiked-collar tough guy, this tail-wagging bundle of joy is as approachable as a Cascade meadow, just like our gin. Distilled with soft, white winter wheat and 12 carefully selected botanicals, Mr. Pickles Gin is flavorful, exceptionally smooth and perhaps just a little badass.
